

DESERT WATER SUPPLY CORPORATION

TEMPORARY SERVICE REQUEST

(Existing Meter)

I, _____, hereby request temporary water service from the Desert Water Supply Corporation ("Corporation") and agree to pay all service charges required under the Corporation's approved Tariff for such service. I acknowledge that such charges include payment of a \$75.00 temporary service fee plus the actual cost of activating temporary service, if any, and that these charges are non-refundable. I will be billed and have agreed to pay \$4.43 per thousand gallons of water used, which is due at the time temporary service is terminated or expires. I represent that temporary service is requested for purposes of inspection or moving in to the service address stated below and, if applicable, that I have authority to request temporary service for the property. The Corporation may provide temporary water service for no more than thirty (30) days from the date temporary service is installed. I further agree and acknowledge that the temporary service will change to permanent service after the requirements under Section E.2(c) of the Corporation's Tariff are met.
